

2005 SHORT TERM PLAN
FINGER LAKES RC&D COUNCIL, INC.

This plan will guide the actions of the Finger Lakes RC&D Council, Inc. over the next two (2) years. The plan will be reviewed, updated regularly, and revised annually adding a new year.

The prime objectives of the Finger Lakes RC&D Council, Inc. over the next two (2) years will be to continue to promote RC&D activities, as well as encourage the wise utilization and management of resources within the project area. This will be done by continuing to develop team work and cooperation between the people of RC&D area and public agencies. Such a joint effort is necessary to identify and solve resource related problems. Resource committees will evaluate project objectives, establish action goals, and plan actions based on current resource problems and needs.

The Council will assure orderly progress towards implementation of the RC&D measures by establishing realistic priorities for specific measures on a project-wide basis and coordinating activities between the Council, local sponsors, and cooperating agencies to assure that these priorities are met.

The Finger Lakes RC&D Council, Inc. agrees that all programs and assistance of the RC&D Council are available without regard to race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, and marital or familial status.
